A five person committee worked on implementation of Code of Practice document for Camogie Club which deals with many issues relating to your child's participation in the club and provides guidelines on our Underage Playing Policy. Click on link below to view the document.

Registration was held in early February and we thank all of the people who helped out both on Friday evening & Sunday morning. All players need to ensure they are registered for insurance purposes ; if you missed registration weekend then please ensure you get a form from a club official or coach.

**Child Safety :**

It is also compulsory for all coaches to have completed Child Safety Awareness Program. The three hour program was recently held in Ballyanley and certification was completed for many of club's coaches. For those not present please follow link below and ensure course is completed.

**Squad Updates:**

U9 have been busy training in Ballyanley Community Hall on Wednesday nights and recently played Go Games during Cork v Clare Senior League match in Camogie Grounds, Mahon.

U10 & U11 have completed 4 weeks of indoor training in Na Piarasigh Indoor Arena. We had a great turnout every week and on Sat Feb 28<sup>th</sup> both squads have their opening games in the Glen v Glen Rovers. With Bishopstown and Blackrock and newly formed Nemo Rangers all looking for some games it will be a busy start of year.

U14 squad have also been busy and with help of John Naughton have been running a boot camp in Cloghroe National School over the last number of weeks

U16 also returned to training last weekend so Juvenile Club is very much on the front foot for 2015.

From a coaching perspective Pat Nolan is busy organizing a Level 1 coaching program for March 27<sup>th</sup>, 28<sup>th</sup> and April 4<sup>th</sup>. You need to have completed Foundation Course previously to participate in Level 1; please contact Pat for further details.

Liam Ryan recently completed his Level 1 program in Newtownshandrum.

Pat will also be looking to run 1 day Foundation Course for new coaches.

We are always looking for people to help with coaching and administration in younger age groups; if you are interested please discuss with club officer or coach.

**Leagues 2015**

In 2015 the club will be looking to maximize playing opportunities for all players who are active in the club. There are two significant developments in relation to participation in U12 & U14 leagues. In both of these leagues we will be fielding 2 teams; please discuss with relevant coaches on how these teams will be structured

**Fundraising Updates**

We recently held a very successful Table Quiz in Hunstman in Tower. We had 24 Tables on the night which was a great success. Thanks to all who helped either as an organizer or participant. Thanks also to Terry and his staff who were excellent hosts.

Next Fundraising Activity will be Family Table quiz in Blarney Golf Resort on April 17<sup>th</sup>. More information will follow next month on details for this event.
